

Crafting Your 60-Second Elevator Pitch

Build a clear, confident introduction in 60 seconds.

1. The STAR Method

S — Situation

Set the context. What was happening?

Example:

"Our team was behind schedule on a key project."

T — Task

Explain your responsibility or goal.

Example:

"I needed to organise the work and improve communication."

A — Action

Say exactly what you did.
Use strong action verbs.

Example:

"I created a simple plan, assigned tasks and checked progress."

R — Result

Share the outcome, preferably with a clear benefit.

Example:

"We finished on time and reduced delays by 20%."

Tip: Focus on your role. Keep each part short and specific.

2. Vocabulary Match

Match each action verb (1–5) with the correct meaning (A–E).

1 drive

2. manage

3. resolve

4. oversee

5. collaborate

work together with other people

solve a problem or disagreement

lead or strongly influence progress

organise and control a task, project or team

supervise work and check that it is completed well
